No one is admissible to the Freshman class, until he has completed his fourteenth year; nor to an advanced standing, without a corresponding increase of age. Instructors are respectfully informed, that the candidates they present for the Freshman class, will be examined on the *whole* of the preparatory studies, or their full equivalents; and that the Faculty contemplate raising the standard of qualifications for admission in future, of which seasonable notice will be given, in the catalogues of the college, from year to year.

Abstract of Laws.

The members of this institution are expected to manifest, in speech and action, all proper respect and obedience to the government of the college, a gentlemanly deportment towards each other, and in all their conduct a practical compliance with the dictates of morality and the laws of the land.

In addition to these general rules, the following things are to be regarded as particularly prohibited:

1. Absence from any prescribed collegiate exercise.
2. Absence from rooms during the hours allotted to study, and after ten o'clock at night.
3. Unnecessary noise or disturbance at any hour.
4. The keeping or using of fire-arms, or gun-powder, or fire works of any kind, during term.
5. The use of ardent spirits.
6. Intoxication from any cause.
7. Playing at cards or other unlawful game.
8. Injury to the college buildings, fences, &c.
9. Absence from the town of Kirkland during term.
10. Improper deportment towards citizens, and injuries to their property.

The penalties consequent on non-compliance with the laws and regulations of college, are a series of *warnings*, five in number, preparatory to the separation of the offender from college, if he continue unreclaimed.

For offenses requiring more than a single warning, the offender may be placed on any part of the scale, or dismissed at once, if the nature of the offense require it.

Every warning is accompanied with a letter to the parent or guardian.

Unexceptionable deportment, and regularity, for one term, shall remove one warning from the record.

ABSENCE FROM COLLEGE. The portion of the year allotted to vacations is so great, as to render it quite unnecessary for the students to visit their friends during term, except for urgent and unforeseen reasons. The occasional loss of a day can not fail to have an unfavorable bearing on the intellectual habits and standing of the student. It is hoped that parents and guardians will concur with the Faculty in their opinion of the inexpediency of granting leave of absence in ordinary cases.
